You are cordially invited to attend the Summer Art Gala at Chop's Teen Club. The Gala will take place on July 24, 2009 from 5:00 to 7:00 pm at Chop's, 509 Adams Street, Santa Rosa. This event will showcase the members artwork from the Side by Side Artist Series, and will display art from the guest artists themselves.

The entire building will be open with activities in many of the spaces. The Art Show will start in the Art Studio. The display will progress through the central corridor and into the Lobby where you can enjoy two permanent art installations by local artists, Michael Hayden and 3-D Eddy. Continue upstairs to the Mezzanine, and enjoy more art and **Refreshments** in the Conference Room and on the outside Roof Patio.

The successful Side by Side Artists Series took place during the summer session. The following professional artists: Kathy Joseph, Sandy Frank, Charles Churchill, 3-D Eddy, Robin Stephani and Arn Anderson worked in the studio next to the young artists. They shared in their expertise in the mediums of mosaic, paper mache, wood assemblage, junk art, and designing and welding a handcar for the handcar regatta. In addition, art will be displayed from the other art programs including ceramics and cartooning.

A jury of accomplished local artists will select outstanding works of art from for The Juried Show. This show is scheduled for September 25, 2009 as part of the Railroad Square Regatta weekend. It will be hosted by Robin Stephani and Ty Jones at their Ray Design Studio.

Special thanks go to the following individuals whose generous donations and energy helped to make this program a success: J. Mullineaux, Margaret Jones, Robin Stephani, Don Fluitt, Joel Allan, Kernan Coleman, and Bruce Corson. Their financial support and dedication to the programs at Chop's help us provide vibrant and sustainable programs. There are many activities that we wish to offer and thus with continued support of these and other like-individuals, helps us to serve the teens of Santa Rosa.
