Re: September 26, 2010 Street Closures

Dear Railroad Square Merchant,

The 3rd Annual Hand-Car is quickly approaching and we wanted to communicate with you about street closures during the weekend. See information for specific dates below.

Friday, September 24, 2010:

Set up begins on SMART site.

No street or parking closures.

Saturday, September 25, 2010:

Set up continues on SMART site.

No street closures.

Parking closures on west end of 5th Street near Aroma Roasters for large art installation.

No parking on Fourth Street between Davis and the tracks, Wilson from 3rd to 5th, Fifth from Wilson to the tracks, and the Depot parking lot *after midnight*.

Sunday, September 26, 2010.

Fourth Street between Davis and the tracks, Wilson from 3rd to 5th, Fifth from Wilson to the tracks, 6th from Wilson to Adams and the Depot parking lot are all closed to through traffic and on-street parking after *midnight, all through Sunday until 10 PM Sunday evening*.

This year we are anticipating an attendance of 10,000 to 15,000.

While we understand that street closures are disruptive, we do believe that any impact is mitigated by an increase in customers coming to and/or experiencing Railroad Square for the first time.

For businesses on Fourth Street and Wilson Streets, there will be no automobile access on Sunday, September 26, 2010 from 4 AM to 10 PM.

We will be programming Fourth Street with a stage near Davis Street and will also be having vendors set up in a style similar to Summer Nights | Railroad Square.

If you have any questions at all, or I can be of any assistance, please call me at 490-5039.
